

XR BIA Developers unveils three exciting new projects

16th September 2013: After the phenomenal success of their inaugural project at Hinjewadi, XR BIA Developers is delighted to unveil three new residential projects - Xrbia Neral, Xrbia Hinjewadi Road and Xrbia Warai. Starting @ Rs 10 lacs, XR BIA's houses are a testament to the brand's promise of affordable housing opportunities for home buyers. Masterplanned by the internationally renowned Architect Hafeez Contractor, these residential townships invite residents to live abroad in Xrbia.

With a mission to provide a house for every Indian, Xrbia's newly launched projects meet the requirements of the exponential urban population. Consisting of over 1,500 houses, Xrbia offers 1, 2 & 3 BHK apartments. So take your pick from this wide array of homes as per your requirement and budget.
